January 21, 2016

Dear _____:

The Trout Lake Area Business Association invites you to join/renew for 2016. Dues have been kept to just \$30/year if you pay by February 15th.

Our mission is to support and give back to our communities in the Trout Lake, Glenwood, BZ Corner and Husum areas by helping local businesses succeed. Despite the record heat that decreased attendance, the 2015 bike tour raised enough money that next month we expect to give \$2000+ back to the communities in the form of grants to support local charities and community service groups.

Building on the great success of past years, we are starting to organize the 14th annual **Mt Adams Country Bicycle Tour**, set for **June 25, 2016**. We need helpers — rest stop hosts, sag wagon drivers, cookie bakers, etc. Contact Rick Allen at 509-395-0024 or rick@cascadewellnessclinic.com if you can help.

This past year, we refinished our new welcome sign. It should be a warm welcome for many years to come.

Trout Lake, Washington

Discover the Magic of the Trout Lake Area

We still need a knowledgeable local volunteer to maintain our site. For the time being we will be using the very capable professional web services of Kristin Pinterich from Portland, who has helped us in the past. If you or someone you know locally with a knowledge of web sites and WordPress can help for free or a small fee to maintain the site long-term, please contact Rick Allen.

Please come to our meeting 7:30pm Monday February 22nd where we will be considering grants for our community.

All the best for a prosperous 2016,
Rick Allen, President
Barbara Hansen, Vice-President
Bev Meyer, Secretary/Treasurer
