PLEASE CHECK AND UPDATE YOUR BUSINESS' INFORMATION ON  
[WWW.TROUTLAKEWASHINGTON.COM](http://WWW.TROUTLAKEWASHINGTON.COM)

Now is a good time to check and/or update your business information on the  
TLABA website [www.troutlakewashington.com](http://www.troutlakewashington.com).

When you get to the site, click on the Businesses tab, then go to the item labeled  
Trout Lake Business Association and check your information at the bottom of the  
page. Next go back to the Businesses tab and select the item that describes your  
business (Lodging, Shopping, Dining). Check out the text and images. If you want  
changes, email new text or images (images as a photo/graphics attachment, not  
embedded in the email text) to [trwebster\\_pe@embarqmail.com](mailto:trwebster_pe@embarqmail.com).

We don't currently have a Services category listed under the Businesses tab. If  
you would like one added, please email Tim Webster at the above address.  
Include text and images you would like for your business.

For those of you involved in other activities/events/organizations, please check them out while you are  
there. The more people who suggest improvements, the better the site will be.
