January 6, 2018

Dear \_\_\_\_\_ :

The Trout Lake Area Business Association invites you to join/renew for 2018. Dues have been kept to just \$30/year if you pay by February 15th.

Our mission is to support and give back to our communities in the Trout Lake, Glenwood, BZ Corner and Husum areas by helping local businesses succeed. The bike tour raises money that we give back to the communities in the form of grants to support local charities and community service groups.

Building on the great success of past years, we are starting to organize the 16th annual **Mt Adams Country Bicycle Tour**, set for **June 30, 2018**. We need helpers — rest stop hosts, sag wagon drivers, cookie bakers, etc. Contact Rick Allen at 509-395-0024 or [rick@cascadewellnessclinic.com](mailto:rick@cascadewellnessclinic.com) if you can help.

## Trout Lake, Washington

We still need a knowledgeable local volunteer to maintain our site. If you or someone you know locally with a knowledge of web sites and WordPress can help for free or a small fee to maintain the site long-term, please contact Rick Allen.

Please come to our meeting 7:30pm Monday March 1 where we will be considering grants for our community.

All the best for a prosperous 2018,

Rick Allen, President  
Barbara Hansen, Vice-President  
Bev Meyer, Secretary/Treasurer
